Government into the causes that led to the Railway accident that occurred at Tarikere a few months back and if so, with what result?

(*b*) Will the Government be pleased to place before this House the papers and documents connected with the said enquiry?

(*c*) What are the names and addresses of the persons who died and were injured in the said accident?

(*d*) What is the status and position in life of such dead and injured persons as also their financial condition?

(*e*) What relief has been decided by Government to be granted to the families of such dead and injured persons and if so, what is the nature of relief and the basis on which it has been settled?

Secretary to Government, Public Works and Railway Departments.—

A.—33. (*a*) The whole case formed the subject matter of a magisterial enquiry. The judgment was delivered on 10th April 1934, punishing the guard and the driver of the train.

(*b*) In view of the above, the question does not arise.

(*c*) A statement showing the names of persons dead and injured in the accident and their addresses is appended (*vide* Appendix V).

(*d*) and (*e*) The case is still *sub judice* and will be taken up after it has been finally decided.

Mr. C. R. Nirvanappa Setty (Special Interests).—

Q.—35. Will the Government be pleased to state:—

(*a*) In what places in the State are poor houses built?

(*b*) How many of these poor houses are in working order and in what places?

(*c*) What is the object of building these poor houses?

(*d*) What is the amount advanced by Government for this purpose?

Secretary to Government, Development Department.—

A.—35. (*a*) to (*d*) It is not clear what the member means by the term "poor houses"—whether they are places

for the housing of the poor and the infirm or whether they are houses constructed by local bodies for sale to poor people on easy terms and for serving as models of up-to-date sanitary houses.

A poor house of the former class has been built at Chikmagalur with a contribution of Rs. 1,000 from the Muzrai Department. It has not yet started working.

Houses of the latter class have been built in Bangalore and Mysore Cities, their number being 50 and 108, respectively. The houses in Bangalore are built at the cost of the Municipality and with no advance from Government. Those at Mysore are built by the City Improvement Trust Board with the funds granted by the Palace and His Highness the Yuvaraja and without any advance from Government.

Mr. T. Ramanna Gowda (Tirthahalli Taluk).—

Q.—38. Will the Government be pleased to state :—

(*a*) How many candidates (boys and girls) applied for the Mysore Lower Secondary Examination from 1930 to 1933 ?

(*b*) Of those who appeared, how many boys and girls passed in the examination ? (Information to be kindly furnished yearwar).

(*c*) What is the examination fee prescribed for each boy and for each girl student ?

(*d*) What is the total fee credited to Government (yearwar) ?

(*e*) How many students were admitted to the examination without recovering fees from them (yearwar) ?

General Secretary to Government.—

A.—38. (*a*) to (*e*) A statement giving the information required is placed on the table (*vide* Appendix V).

Mr. T. Ramanna Gowda (Tirthahalli Taluk).—

Q.—39. Will the Government be pleased to state :—

(*a*) How many persons were nominated to the grade of Amildars and other higher appointments, for the last ten years ?
